*John 21:25 (MSG): "There are so many other things Jesus did. If they were all written down, each of them, one by one, I can't imagine a world big enough to hold such a library of books."*

I saw Gold Pens falling out of Heaven onto the earth as though they were being thrown by the angels like javelins into the hands of unknown people. I saw these pens turning into spears and swords as they fell into these hands. As their fingers began to write, books, songs, and poetry were becoming lethal weapons to war against the enemy!

**Psalm 144:1 was being activated throughout the earth:**

**Blessed be the LORD my Rock,  
Who trains my hands for war,  
And my fingers for battle  
(NKJV)**

### **Huge Warehouses in Heaven**

In the Spirit I saw huge warehouses in Heaven that appeared to be full of books, songs, and poetry. I noticed these books had no titles on their covers or any words written on their pages. These were wordless books, blank bundles of sheet music, and empty pages of poetry stacked high to the ceiling. A sign was over the huge door that read: "**Stationery to be released and published in the last final hour upon the earth.**" I heard the Father give a command to the angels. "**Empty those warehouses and deliver it to the earth! There are books yet to be written, new songs yet to be sung, poetry yet to be recited that will woo hearts back to Me!**"

**"Drop the pens down first and empty those warehouses!"** I heard the Father say, "**I'm releasing a Scribe Anointing upon the earth!**"

In the Spirit I saw as though the Grand Canyon itself was becoming one of the many distribution centers filling up like a huge library in the earth filled with testimonies, books, songs, and poems. Then angels would swoop down and carry these writings to God-given destinations; to saints and sinners in many parts of the earth! I saw the seas and waters of the earth being covered with writings and literature floating upon them. The Glory of God upon these waters from the writings would actually change water currents and carry them to places where man was unable to go!

**I sensed the Lord Himself was going into marketing His material that He was releasing to the earth into hands that were being inspired to write by the Holy Spirit. I sensed the Father had great desire to literally fill the earth to let the whole world know what great things He hath done for His people.**

**"The Lord sent His word and great was the company of those who published it!"** Is there a book in you? A song stirring in your heart? Poetry that keeps coming to the surface? Perhaps the Lord is calling you this hour to pick up your pen!
